### **Height Classes (Classes 1-6)**

The course consists of a numbered jumps. If you have a clear round (no poles down, falls\* or refusals), you will be asked to continue on to the jump off course which will be timed from take-off at the first fence and landing on the last fence. Penalties will be given as 4 points for a refusal, fall\* or refusal. The fastest clear over the jump off course is the winner.

### **Puissance Classes (Class 7)**

Competitors take it in turn to jump the 'high jump'. You must clear the jump to continue to the next round, where the height of the jump will be increased. The winner is the person to clear the highest height.

It is the responsibility of the payee to ensure that the competitor is capable of jumping the height of the jumps. All competitors (or their guardians if under 18 years of age) will be asked to sign a disclaimer before taking part. We strongly recommend that competitors wear helmets when taking part.

\*If a rider falls and impacts their head they will be eliminated for health and safety reasons.
